Item 15 – Resolution regarding the approval of transfer of the Company’s shareholding in S. Professionals AB

On 14 February 2018, the Board of Directors of Sdiptech resolved to separate and divest Sdiptech’s shareholding of 60 per cent in S. Professionals AB (“Sprof”) and its subsidiaries (the “Support Operations”). This decision was communicated in the Company’s year-end report of 2017, which was published on 15 February 2018.

Against this background, Sdiptech entered into an agreement on 13 April 2018 with the CEO of Sprof, who already holds the 40 per cent of the shares in Sprof that are not held by Sdiptech, regarding a transfer of Sdiptech’s shares in Sprof subject to approval at a general meeting of Sdiptech. The purchase price for the Support Operations is calculated on a cash and debt free basis and consists of a fixed cash purchase price of SEK 0.5 million, and additional purchase price corresponding to 30 per cent of the aggregate amount as Sprof and Sprof’s subsidiaries have invoiced customers for advice regarding M&A during 2018 and 2019. At the execution of the agreement, the total purchase price (including the additional purchase price) is estimated to amount to approximately SEK 8.0 million. The Board of Directors has obtained a fairness opinion from BDO regarding the financial fairness of the transaction to the shareholders of Sdiptech. This fairness opinion is available on the Company’s website.

Sdiptech keeps its financial interest in three of the Support Operation’s product companies which are in different stages of commercialization. In the event the Support Operation divests these product companies or receives value transfers or earn-outs, Sdiptech is entitled to additional purchase prices corresponding to Sdiptech’s ownership interest in the companies prior to the divestment of the Support Operation.

Against the above background, the Board of Directors proposes that the annual general meeting resolves to approve the transfer of 1,200 shares of series A in Sprof to the CEO on the main terms set out above

The resolution regarding item 15 must be supported by shareholders holding no less than nine-tenths (9/10) of the votes cast as well as the shares represented at the annual general meeting.
